

Workshop On Drug Abuse In Beersheba

19-Sep-2018 With an objective to create awareness about the drug abuse and its harmful effects a workshop was organized on the initiative of Amar Ujala foundation with Nainital Police. S.P city Mr. Amit Srivastava was the eminent speaker. He discussed how the adolescents & youth fall prey to the addiction trap. In his address he told the students to understand the gravity of the negative effects of drug abuse and alcoholism and motivated the students to sensitize the society about it. He also told the students to be cautious and alert against this multidimensional problem.

The workshop was followed by a question & answer session. The guest speaker answered the queries of the children. He also motivated them to co-operate with the police & follow the Traffic rules .The talk was attended by the representative of Amar Ujala, the members of management, students and staff.
